### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

The prior art of record fails to disclose or suggest the combination of the claimed method as amended and supported with the remarks filed on 11/28/2007.

In particular, the prior art of record fails to disclose a method for producing a curvilinear folded structure comprising among other steps the step of folding a 3-D relief structure unit completely to join the sides of the 3-D relief structure to obtain a folded structure as shown in Fig. 4; the step of applying stress and thermally treating of the folded arched shaped structure as shown in Fig. 5; nor the steps of stretching the folded arched shaped structure to produce the curvilinear folded structure having an overall curvature radius after the step of the thermally treating, see for example Fig. 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
